

**15.2.5.8 ENTRIES AND NOMINATIONS:**

**A. Entering:** No horse shall be qualified to start unless it has been and continues to be entered.

**B. Procedure:**

(1) Entries and nominations shall be made with the racing secretary and shall not be considered until received by the racing secretary, who shall maintain a record of time of receipt of them for a period of one year.

(2) An entry shall be in the name of the horse's owner and made by the ~~owner,~~ trainer or an assistant trainer. Any horse which is in a race or on the also-eligible list may not be sold or transferred until that obligation is completed, except with permission of the stewards.

(3) Numbered races printed in the condition book shall have preference over extra races. Should any race fail to draw seven separate wagering interests, it may be called off.

(4) An entry must be in writing, by telephone, electronically or facsimile machine to the racing secretary. The entry must be confirmed in writing should the stewards or the racing secretary so request.

(5) The person making an entry shall clearly designate the horse so entered.

(6) No alteration may be made in any entry after the closing of entries, but an error may be corrected with permission of the stewards.

(7) No horse may be entered in more than one race (with the exception of stakes races) to be run on the same day at the same track on which pari-mutuel wagering is conducted. If a horse is entered in more than one stakes race to be run on the same day, at the time of draw, the trainer must declare which race the horse will run in.

(8) No horse may be entered to run at two different tracks on the same day on which pari-mutuel wagering is conducted.

(9) Any permitted medication must be declared on the original entry at each race meet. No further declaration will be required at that meet unless there is a change.

(10) Any approved change of equipment must be declared at time of entry. Any changes after that time must be approved by the stewards.
