

**15.2.6.9 MEDICATIONS AND PROHIBITED SUBSTANCES:**

**J. Out of competition testing:**

(1) A horse may be subject to out of competition testing without advance notice if the horse is:

- (a) on the grounds of a racetrack or training center under the jurisdiction of the commission;
- (b) under the care or control of a trainer or owner licensed by the commission; or
- (c) any horse whose papers are filed in the racing office; or
- (d) has been nominated to a stakes race; or
- (e) on the steward's list pursuant to Subsection C of 15.2.6.9 NMAC.

(2) This rule applies to the detection of prohibited substances in out of competition official samples as follows:

(a) penalty class A drugs as listed with the association of racing commissioners international "uniform classification guidelines for foreign substances and recommended penalties and model rule" and incorporated by reference under 15.2.6.9 NMAC;

(b) blood doping agents including, but not limited to, erythropoietin (EP), darbepoetin, oxylglobin, hemopure, aranasep or any substance that abnormally enhances the oxygenation of body tissues;

(c) gene doping agents or the non-therapeutic use of genes, genetic elements, or cells that have the capacity to enhance athletic performance or produce analgesia

(d) clenbuterol present in any official sample in a horse not previously placed on the veterinarian's list pursuant to Paragraph (10) of Subsection C of 15.2.6.9 NMAC; and

(e) androgenic-anabolic steroids present in any official sample in a horse not previously placed on the veterinarian's list pursuant to Paragraph (10) of Subsection C of 15.2.6.9 NMAC.

(3) The penalty for a positive test resulting from an out of competition blood or urine sample will be determined by the penalty class of the drug listed in the association of racing commissioners international "uniform classification guidelines for foreign substances and recommended penalties and model rule" and incorporated by reference under 15.2.6.9 NMAC.

(4) A horse with a positive test in an out of competition official sample for any substance identified under Paragraph (6) of Subsection C of 15.2.6.9 NMAC will be placed on the steward's list as per the conditions set forth in that subsection. Horses already on the steward's list for violations of Subsection C of 15.2.6.9 NMAC that have a positive out of competition test in a blood or urine sample for one of the substances identified in the referenced paragraph shall be placed on the steward's list for an additional, consecutive 60-day period.

(5) Horses to be tested may be selected at random, with probable cause or as determined by the commission or an agent of the commission.

(6) The commission veterinarian, or any licensed veterinarian or licensed veterinary technician authorized by the commission, may at any time take an official sample from a horse for this purpose.

(7) Split samples shall be collected in accordance with Subsection B of 15.2.6.10 NMAC and shall be secured and made available for further testing in accordance with Subsection D of 15.2.6.10 NMAC.

(8) All horses selected for testing must be presented to the commission veterinarian, or any licensed veterinarian or licensed veterinary technician authorized by the commission, at the time designated, unless the trainer or owner provides verification of an extenuating circumstance that makes it impossible. Penalties for violations of this subsection include:

(a) any horse not presented for testing upon notification absent extenuating circumstances will be placed immediately on the steward's list for a minimum of 60 days and shall be subject to all the requirements set forth in Paragraph (8) of Subsection C of 15.2.6.9 NMAC; and

(b) the licensed trainer of a horse not presented for testing upon notification and absent extenuating circumstances is a ~~maximum~~ **minimum license** suspension of ~~[180 days]~~ **one year**.

(9) Any licensee who does not comply with the rule or the commission veterinarian for a sample may be subject to disciplinary action.

(10) Cooperation with the commission veterinarian, or any licensed veterinarian or licensed veterinary technician authorized by the commission, includes:

(a) assisting in the immediate location and identification of the horse selected for out of competition testing; and

(b) assisting the veterinarian in properly procuring the samples.

**(11)** Out of competition samples will be sent to the official laboratory of the commission, or another laboratory as designated by the commission, with reports made in accordance with the provisions of the medication rules and the penalty provisions therefore.
