Beginning October 11, 2018 a Change of Address Form will be required to update mailing addresses. The form must be completed in full, signed and dated then delivered via email, fax or in person to the Commission. All notices/correspondence will be mailed to the address provided on this form. Licensees can locate the new form on the Commission website at: www.nmrc.state.nm.us/forms. If a Change of Address Form is not utilized, the address provided in the most recent application for license will continue to serve as the current mailing address.
