Due to the recent events concerning Covid-19, the New Mexico Racing Commission will not be conducting its regularly scheduled monthly meeting on March 26, 2020. At this time, the NMRC does intend to hold its regular monthly meeting on April 16, 2020. This being a very volatile environment, we will continue to provide updates regarding the April 16 meeting as we get closer to that date. We apologize for any inconvenience.

Kind Regards,

Ismael "Izzy" Trejo
Executive Director
