Subsections A and B of 16.47.1.10 NMAC: The rule details provisions on trainers and their responsibilities. The purpose of proposed amendments is to strengthen requirements for becoming a trainer to better ensure and improve health, safety and welfare of horses, empower Commission to hold trainers accountable for condition of horses in their care, custody and control, require trainers exercise due diligence in ensuring newly acquired horses are free of prohibited substances, and detail consequences of catastrophic injuries.

Subsections A, B, and C of 16.47.1.17 NMAC: This rule details processes for human drug and alcohol testing of licensees. The purpose of proposed amendments is to expand reasons under which licensees may be subject to drug and/or alcohol testing to include impacts use of those substances has on public's confidence in the industry and to specify the impacts of the presence of alcohol on the licensee.

Subsections A, B, C and D of 16.47.1.18 NMAC: This rule details human drug testing procedures of licensees. The purposes of proposed amendments are to provide for random or episodic testing without notice, provide for licensee's ability to get confirmation test, define what constitutes a refusal to submit to drug or alcohol testing and create progressive penalty system for licensees whose test results show presence of alcohol.
